- Toronto Post Readers choice award since 22 years.

Our concern is for traffic safety through improved methods in Driver Education

IN-CAR LESSONS

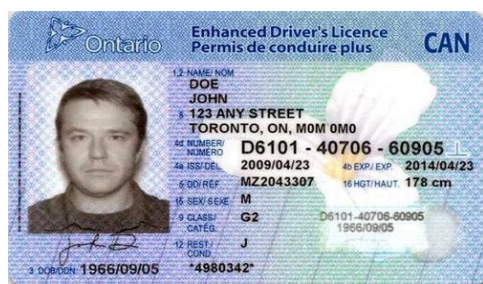

Each student will be provided with an instructor's business card. This card is to be kept with your license at all times and presented with your license upon entering the vehicle for lessons. Lessons will be arranged between the student and the instructor. **If you are unable to make it to your in-car lesson, you must call your instructor 24 hours in advance. If you fail to contact your instructor within the 24-hour period, you will be charged an additional \$40.00 that must be paid before the next lesson in the car.**

PRACTICE

In-car lessons are opportunities to acquire skills, strategies and know how. It is your responsibility as a student to reinforce what you have learned in car, by practicing.

G1 LICENCE

Each student must provide the in-class teacher with **1 copy, front and back** of their License. This is a requirement of the Ministry of Transportation.

Certificates will not be issued until this is completed. If the student does not yet have their G1 License when

Starting the course, they must have one within 8 weeks of completing the in-class portion of their course. Please **allow 2 weeks** after submission of copies of License for your in-car instructor to contact you.

CHANGE OF ADDRESS

If you have moved, you must provide copies of a new license showing the new address. Please notify you're in-car instructor or office immediately.

COMPLETING THE COURSE

Students must obtain a 70% average in the classroom and 80% in the car.

100% attendance is required in the 20 hours in-class sessions and the 10 hours behind the wheel instruction as well as completing the 10 hour Student Workbook. It is the student's responsibility to make up any missed classes. **There will be no refunds on monies paid if the student is not completed within 12 months. The course must be started again from the beginning (MTO regulation) at the student's expense.**
